

Welcome

Prolife news, legislation, information for Kentucky

? <http://krla.org/>

McCain kills it again!! ..."I would consider supporting legislation similar to that offered by my friends Senators Graham and Cassidy were it the product of extensive hearings, debate and amendment. But that has not been the case. Instead, the specter of September 30th budget reconciliation deadline has hung over this entire process..." See article
Attention Right to Lifers! Please contact Sen. Rand Paul! He again is waffling and ignoring the key facet of Repealing Obamacare, namely DEFUNDING PLANNED PARENTHOOD. Please call his offices— 202-224-4343 or 270-782-8303 (Bowling Gr)— This is do or die time— Last chance this year to end our tax dollars going to this organization that maims women, kills 325,000+ babies a year, is knee deep in Medicaid fraud, traffics in baby body parts, and the list goes on and on including sex trafficking of under age girls! See Life News Alert
EMW v. KY TRIAL ENDS: RETROSPECTIVE

See video follow up of third day of trial here.

How many abortions in August 2017 at only one Ky. clinic?

COMPREHENSIVE Sex Ed Agenda Advances in Kentucky — Read more

Welcome to the Kentucky Right to Life website. When we say, Get A New Account, we mean it.

This site is designed to allow you to comment, create pdfs, send any site photo by email, and participate in forums. If you have a question, use the site Contact form, but to share ideas and questions with everyone, please CHAT. To CHAT, login first.

If you want to do even more than that, become a KRLA member and help us promote LIFE.

Please join us at all our events. Share, tweet, contact your legislators, hug a preborn baby by your activism for Life!

Read our most recent eletter! Watch our top slideshow, News Forums and Facebook page for KRLA and prolife news, and visit the Photo Albums to see our events and more. You will find a LOT of news on this site. The current NEWS page features the pro-life bills progress in the 2017 Kentucky Legislative Session.

A SiteMap is shown in the menu at left.

Video of the Month

Student for Life wins debate!

A 16-Year-Old, Autumn Lindsey, responds to Princeton professor, Elizabeth Harmon's pro-abortion argument. See other fantastic videos on Students for Life YouTube channel.
