Handicapped Children Result from Abortions

Here is a superb video exposing the link between induced abortion and increased risk of premature birth in later pregnancies due to damage during the abortion procedure or infection. The Institute of Medicine and 134 studies link abortion with subsequent premature birth. It is settled science. more

What is the NUMBER ONE KILLER of Black Americans?

The Black Holocaust is a full-length documentary in segments on YouTube that tells an horrific story. This is Part One... "Planned Parenthood is the largest abortion provider in America. 78% of their clinics are in minority communities. Blacks make up 12% of the population, but 35% of the abortions in America..."
