

Students

The future looks brilliant!

? <http://krla.org/>

The KRLA is proud of the many students who are part of the Right to Life fight. This is one area of our outreach where we have seen much greater involvement and interest. It's exciting!

A TREMENDOUS THANK YOU to all who participate as entrants, judges, and to teachers.

Visit the Essay Contest and Video Contest pages for more information.

The Oratory Contest is taking a year off since our recent past entrants have been so few.
