2020 GENERAL ELECTION PAC ALERT

VOTE PRO-LIFE ON TUESDAY, NOV. 3rd.

- President Trump has proven his pro-life commitment. As president he has appointed pro-life advocates in his cabinet and administration, restored the “Mexico City Policy,” and he has pledged “to veto any legislation that weakens current pro-life federal policies and laws, or that encourages the destruction of innocent human life.”
- In his 2019 State of the Union speech, President Trump called on Congress to “pass legislation to prohibit the late-term abortion of children who can feel pain in the mother’s womb.”
- President Trump opposes using tax dollars to pay for abortion. His administration issued regulations to ensure Title X funding does not go to facilities that perform or refer for abortions. He also cut off funding for the UNFPA due to their involvement in China’s forced abortion program.
- Trump’s VP choice, Mike Pence, had a solid pro-life voting record on abortion during 12 years in the U.S. House, including votes for passage of the Partial-Birth Abortion Ban Act. As governor of Indiana, Mike Pence championed many pro-life measures.
- President Trump’s judicial appointments are consistent with his belief that federal courts should enforce rights truly based on the text and history of the Constitution.
- Joe Biden supports the current policy of abortion on demand. Joe Biden supports the Democratic platform of unlimited abortion even through birth.
- Asked about prohibiting abortion after 20 weeks, when the unborn child can feel pain, Joe Biden said, “I’m not going to interfere with that,” which would allow abortion through birth.
- Joe Biden supports using tax dollars to pay for abortion. Biden says he supports elimination of the Hyde Amendment. He voted for taxpayer funding of overseas pro-abortion organizations.
- Joe Biden pledges that his judicial nominees would support the right to privacy, on which the entire notion of a woman’s “right to choose” is based.
- Joe Biden has been endorsed by PLANNED PARENTHOOD, the nation’s largest abortion provider. “This is literally a life and death election,” Alexis McGill Johnson, acting president of Planned Parenthood, told NPR ahead of the announcement. “We felt like we can’t endure another four years of Trump.”

ELECTIONS MATTER!

Republican Platform: "...we assert the inherent dignity and sanctity of all human life and affirm that the unborn child has a fundamental individual right to life which cannot be infringed. We support a human life amendment to the Constitution, and we endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children."

Democratic Platform: . We will repeal the Title X domestic gag rule and restore federal funding for Planned Parenthood, which provides vital preventive and reproductive health care...in underserved areas. Democrats oppose and **will fight to overturn federal and state laws** that create barriers to reproductive health and rights. **We will repeal the Hyde Amendment**, and protect and codify the right to reproductive freedom. Democrats oppose restrictions on medication abortion. We are proud to be the party of the Affordable Care Act, which prohibits discrimination in health care on the basis of sex and requires insurers to cover prescription contraceptives at no cost. We believe that a person's health should always come first. Democrats will protect the rights of all people to make personal health care decisions, and will reject the Trump Administration's use of broad exemptions to allow medical providers, employers, and others to discriminate.
