2016 GENERAL ELECTION PAC ALERT

VOTE PRO-LIFE ON TUESDAY, NOV. 8th.

- “Let me be clear -- I am pro-life... I did not always hold this position, but I had a significant personal experience that brought the precious gift of life into perspective for me.”
- In 2000, in his book “The America We Deserve”, Donald Trump wrote that after consulting with doctors about the partial-birth abortion procedure, he concluded that he would support a ban on that method.
- In May 2016, Donald Trump released a list of eleven conservative judges whom he would consider for a Supreme Court vacancy, saying, “By the way, these judges are all pro-life.”
- Trump’s VP choice, Mike Pence, had a solid pro-life voting record on abortion during 12 years in the U.S. House, including votes for passage of the Partial-Birth Abortion Ban Act. As governor of Indiana, Mike Pence championed many pro-life measures.
- Donald Trump’s campaign manager is Kellyanne Conway. Conway is a highly respected strategist and Republican pollster. She is pro-life and not a stranger to Kentucky pro-lifers, having addressed the Kentucky Right to Life Association in the past, at one of its yearly events.

PARTY PLATFORM

The Republican Party Platform affirms “that the unborn child has a fundamental right to life,” opposes using government funds to perform or promote abortion or to fund abortion providers, and supports legislation to assist babies who survive abortion.

- In 2016, Clinton said, “The unborn person doesn’t have constitutional rights,” later adding she believed this to be true even on the unborn child’s due date.
- In 2003, Hillary Clinton voted against the Partial-Birth Abortion Ban Act (voted to allow partial-birth abortions to continue) every chance she got.
- Clinton’s VP choice, Tim Kaine, voted against the pro-life position in the U.S. Senate every chance he got. He voted against the Pain-Capable Unborn Child Protection Act. Tim Kaine co-sponsored a bill (S.217) that would nullify virtually all state limits on abortion, including late abortions.
- Hillary Clinton has said that she would only nominate Supreme Court justices who would uphold the decision that legalized abortion on demand. “I would not appoint someone who didn’t think Roe v. Wade is settled law.”
- Could this be one of the possible nominees to fill a Supreme Court vacancy during the tenure of President Hillary Clinton...?

PARTY PLATFORM

The Democratic Party Platform supports abortion on demand, and calls for repeal of the Hyde Amendment (which restricts the use of federal funds for abortion). The platform also supports government funding of abortion providers, including Planned Parenthood, the nation’s largest abortion provider.

**VOTE PRO-LIFE ON
TUESDAY, NOV. 8th!**

ELECTIONS MATTER!

In 2016, pro-life citizens have a tangible opportunity to oust current pro-abortion leadership at the state and federal levels. Before you vote, it is important to consider the pro-life integrity of individual political candidates. Perhaps it is even more imperative that you consider how your vote for an individual candidate affects the current Democratic majority and its pro-abortion leadership. For over 40 years the Kentucky Right to Life PAC has remained a bipartisan organization and this PAC Alert affirms we remain so today. Regrettably, however, the two relevant political parties are fundamentally at odds on the issue of protecting innocent human life in principle and in practice.

We are grateful for, and will continue to support, those Democrats who demonstrate their pro-life convictions by standing against their pro-abortion party leadership to advance pro-life legislation. We also appreciate those pro-life Democrats who take the time to complete and return our pro-life survey. However, the PAC survey is only one part of our evaluation process. Where possible, we also consider a candidate's voting record. It is a troubling fact that not all who complete a 100% pro-life questionnaire vote pro-life. Too many pro-life Democrats have chosen to side with pro-abortion Democrat leadership, rather than vote to advance the interests of unborn babies and their mothers.
