

RE: **"I'm ALIVE" Champions for the Unborn**
Human Rights of Unborn Children ACT 2018

Dear Friend of the Children,

During the 2018 Session of the Kentucky General Assembly, the Chair of Health & Families Committee, State Representative Addia Kathryn Wuchner (Boone) and the Chair of the Judiciary Committee, Representative Joe Fischer (Campbell) sponsored HBH 454, "The Human Rights of Unborn Children Act," effectively Banning Dismembered Abortion procedures in the Commonwealth.

- HB 454 The Human Rights of the Unborn Child Dismemberment Ban passed KY House 75-13 and the KY Senate 31-5.
- April 10th 2018 Governor Bevin signed HB 454 and it immediately became law.
- The ACLU and the Louisville abortion clinic immediately filed a lawsuit and the law was enjoined (court ordered injunction).

Nov. 13th - Nov 16th the Federal Court in Louisville will consider the fate of this new crucial law. This bold law would establish the Human Rights of unborn children and finally ban the horrific practice of dismembering and tearing apart an unborn child while still ALIVE!

This is a cause worthy of our standing together and seeking the Lord in prayer on behalf of these children. Will you join us?

At this critical hour in our State, we need Pro-Life supporters, families and organizations to join the, "I'm ALIVE" team, as we come together to stand in solidarity for this important law.

- Beginning the morning of Tues., Nov 13th with both a press conference and "I'm ALIVE" Prayer Vigil at the Federal Courthouse in Louisville.

We have a critical need for folks to join together. There are many areas where you and your family, faith group or organization will have the opportunity to assist.

We need folks to:

- Begin praying now for these efforts
- Join us in Louisville outside the court house to pray
- Join us in Louisville to pray inside the courtroom
- Write letters to the editor (we will assist on ed talking points)
- Post on social media during the event (we will assist with key talking points)
- Like/follow us on Facebook and follow on twitter @ImAliveKY
- Note: Donations are being accepted to underwrite costs
